*Of Counsel* will offer engaging in-depth analysis about Lambda Legal litigation, tailored to the interests of lawyers, law professors, law students and other legal professionals. Each issue will provide interesting, useful and otherwise unavailable information about Lambda Legal’s work on behalf of LGBT people and people with HIV. Subscribers will learn about what’s going on behind the scenes in some of the most talked about cases in the nation, and will hear firsthand from some of the leading civil rights litigators in the profession today – Lambda Legal’s lawyers.
